INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Buddhist Global Relief
Sparta, New Jersey

We have audited the accompanying combined statements of financial position of Buddhist Global Relief (a nonprofit organization) as of June 30, 2013 and 2012, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, based on our audits, the financial statements referred to above present fairly, in all material respects, the financial position of Buddhist Global Relief, as of June 30, 2013 and 2012, and the changes in their net assets and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

BUDDHIST GLOBAL RELIEF
NOTES TO FINANCIAL STATEMENTS
June 30, 2013 and 2012

NOTE 1 - ORGANIZATION AND PURPOSE

Buddhist Global Relief (the "Organization") was established by American Buddhist Scholar-Monk, Ven. Bhikkhu Bodhi and a group of his students on June 23, 2008, and is primarily engaged in raising funds for food relief and related projects from both private donors and philanthropic organizations. It works in partnership with agencies, institutions, and relief organizations already operating on the ground to provide food relief to victims of natural disaster, violent conflict, and drought. In countries stricken by long-term poverty and under-development, it supports projects aimed at developing better long-term methods of food production and management to ensure its beneficiaries a constant supply of food.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contributions

The Organization maintains its accounts in accordance with the principles and practices of fund accounting. Fund accounting is the procedure by which resources for various purposes are classified for accounting purposes in accordance with activities or objectives specified by donors.

These financial statements have been prepared to focus on Buddhist Global Relief as a whole and to present balances and transactions classified according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of fund balances into three classes of net assets - permanently restricted, temporarily restricted, or unrestricted.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by donor for specific purposes are reported as temporarily restricted. Amounts required to be maintained in perpetuity by the donor are reported as permanently restricted net assets.

Contributions are recognized in the period received. A donor restriction expires when time restriction ends or when the purpose for which it was intended is attained. Temporarily restricted net assets are reclassified to unrestricted net assets upon expiration of donor restrictions and are reported in statements of activities as net assets released from restrictions. Restrictions expiring on contributions received in the same year result in reclassification from temporarily restricted to unrestricted revenue.

BUDDHIST GLOBAL RELIEF
NOTES TO FINANCIAL STATEMENTS
June 30, 2013 and 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Operations

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions and restrictions are not met in the current fiscal year. Expenses are reported as decreases in unrestricted assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities in the financial statements. Estimates and assumptions may also affect disclosure of contingent assets and liabilities at the date of financial statements, and the reported amounts of revenue and expenses. Actual results could differ from management's estimates.

Tax Status

Buddhist Global Relief is a not-for-profit entity as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 509(a) of the Code.

Buddhist Global has never been audited by the Internal Revenue Service.

Donated Services

No amounts have been reflected in the financial statements for donated services. Buddhist Global Relief is an all-volunteer organization and many individuals volunteer their time and perform a variety of tasks that enable Buddhist Global Relief to fulfill its mission. The organization estimates that it received more than 5,500 and 5,000 volunteer hours valued at \$55,000 and \$50,000 in 2013 and 2012.
